Dear Ms Pacey

**South Cambridgeshire District Council  
Further Consultation on application for Planning Permission**

Reference: 26/00220/HFUL

Proposal: Two storey side and rear extension and installation of 4no. brick piers to front.  
External Insulation and Render.

Site address: 79 Willingham Road Over Cambridgeshire CB24 5PF

Applicant: .

I have received an amendment to the above application. The amendment is:

1  
Amended Description

You may want to comment on the amendment(s).

**Viewing the details of the application and making comments**

Please go to: <https://applications.greatercambridgeplanning.org/online-applications/PLAN/26/00220/HFUL> to view plans and documents associated with this application.

If you wish to make comments on this proposal, please do so by **9 March 2026** using the above link. Should you wish to discuss this application beforehand please contact me.

If you have no comments to make, I would be grateful if you could inform me as this may help speed up the determination of this application.

**How we handle your personal data**

The Greater Cambridge Shared Planning Service comprises the Local Planning Authorities of Cambridge City Council and South Cambridgeshire District Council. The Data Controller will be the relevant authority under which the planning application falls.

You can view our Privacy Notices at <https://www.scams.gov.uk/the-council/access-to-information/customer-privacy-notice> which provides information on how we collect, store and process your data within the different functions of the council. If you require a hard copy please contact us using the details provided at the top of the letter.

We publish many documents as part of the planning process. If you think we've got something

wrong or are concerned with the way we are handling your data please contact us using the details provided at the top of the letter noting the application reference and document details and we will do our best to resolve the matter.

Yours sincerely

Lydia Green  
Planning Officer
